Program Summary

The purpose of this grant is to provide a playground in Lincoln Parish for special children where they can successfully and safely participate in activities that will promote their physical, mental, social, and emotional well-being.

Grant Objectives:

Provide funding for a special playground that enhances the opportunities for special children in Lincoln Parish and surrounding areas in an effort to help the children reach their potential in life. The goals of the program are:

1. To create a multi-purpose “boundless” playground to meet the diverse needs of special children.
2. To develop a playground that serves as a learning center as well as providing recreational activities.
3. To promote a safe play area for children who may not be aware of environmental dangers.
